Welcome to Round Hill Elementary School where we work each day to create a school community that nurtures students academically, emotionally, and socially to promote student success. We promote excellence in all areas of our school from the classroom to the gym to the playground to the buses to the cafeteria. We desire to be the best in all things!

We believe in instilling character traits that will contribute to student success in the world. We want to foster integrity and leadership within our students that they will carry with them beyond the school setting. We believe in educating all aspects of the child.
